

SPECIFIC NOTICE OF REQUEST FOR PROPOSALS

Subject: Consultants Services

CONTROL AND WORK SUPERVISION RELATING TO IMPROVEMENT AND EQUIPMENT OF THE NGALENKA BASIN

Ref. RFP/QCBS/No. MCA-IWRM03

1. The Millennium Challenge Corporation ("MCC") and the Government of Senegal have signed a Compact to reduce poverty through economic growth in Senegal (the Compact) in an amount of Five Hundred and Forty Million USD (US \$ 540 million) ("MCC Funding").
2. The Government, acting through MCA-Senegal, intends to allocate part of MCC funding to eligible payments authorized under the contract for which this RFP is prepared to fund consultant services to assist the Government in Control and Supervision of construction work and equipment of the Ngallenka basin. Any payment made under the Contract will be subject in all respects, of the terms and conditions of the Compact and related documents, including restrictions on use and conditions for disbursement of MCC Funding. No party other than the Government and MCA Senegal can either claim any rights from the Compact or pretend to benefit from MCC Funding.
3. The Government is represented, as part of this Request for Proposals by MCA-Senegal. MCA-Senegal will execute the consulting services agreement resulting from the RFP. Any action contrary to this Request for Proposals, all references to actions taken or rights received by MCA-Senegal in this Request for Proposals, including the model contract would be taken into account by the Government.
4. This Request for Proposal is consistent with the General Procurement Notice published on the website of MCA-Senegal on January 13, 2012, on sites of DgMarket and UNDB respectively on the 13 and the 20 of January 2012, as well as in the local press From 30 January to 04 February 2012.
5. MCA-Senegal, on behalf of Government invites for submission of proposals related to consultancy services for the Control and Supervision of construction work and equipment of Ngallenka basin. Further details regarding this Request for Proposals, are provided in the Terms of Reference.

Request for Proposal ("RFP") for the Control and Supervision of construction work and equipment of the Ngallenka basin is open to all eligible entities or persons ("Consultants") who wish to bid. Methods of association allowed between the Consultants are the joint venture contract and subcontracting for the provision of consultancy services in order to share complementary areas of expertise of Consultants partnering and optimize their ability to perform their duties and fulfill their missions successfully under the terms of reference.

6. Consultancy services are required for 16 months (2 months before the start of work, 12 months of construction supervision, one month to prepare the final report and one month for visits during the warranty period). This period includes the time required to approve reports and visits during the warranty period.

7. A consultant will be selected in accordance with the Selection Based on Quality and Cost (QCBS). The evaluation procedure is outlined in the sections of the RFP in accordance with "MCC Program Procurement Guidelines" available on the MCC website: www.mcc.gov .

8. The RFP includes the following sections:

Section 1 Instructions to Consultants
Section 2 Special Data of the Request for Proposals
Section 3 Criteria of Qualification and Evaluation
Section 4A Technical Proposal Forms
Section 4B Financial Proposal Forms
Section 5: Contract Forms:
Section 6 Terms of Reference

9. Consultants interested in submitting a Proposal should express their interest by email to the address below and provide at the same time their full contact details:

Email: pamsenegal@charleskendall.com with Copy: info@mcasenegal.org

A preparatory meeting for the submission of Proposals will be held in Dakar, 03 April 2012 at 10 AM (local time) at MCA-Senegal, 6 Route de Ngor. It is strongly recommended that prospective Consultant or their representatives attend, but it is not mandatory.

10. The deadline for submitting proposals is April 24, 2012, at 3:00pm (local time). Proposals received after this date and time will not be considered and will be returned unopened. It is very important that Consultants take into account the distance and customs formalities in their calculation of time that their proposal will take to reach the right destination on time. It is strongly advised that interested Consultants read all sections of the document, including the terms of reference and the form of contract and seek necessary clarification within the period planned for consultation. MCC and MCA-Senegal will not accept any application to amend this document after the delivery of technical and financial proposals.

Best Regards,

Ibrahima Dia
Director General of MCA-Senegal
